Fort Walla Walla Museum welcomes your visit!

We would like to give you the chance to get ahead of the game.
Use these forms to preorder and prepay for your class' souvenirs.

Attached are:

- The Payment Options form
- The Classroom Order Form to tally up your class' total order
- The Introduction to Grab Bags
- Three forms separated by themes your class will encounter in the museum: Military, Pioneer, and Old West. Feel free to use them or create your own. If you are interested in other items, please contact the museum store.

Please fill in and return the "Classroom Order Form" and the “Payment Options” forms to the museum **at least two weeks** before your visit. Then simply pick up your items in the store the day you arrive. If these forms are turned in any later, we will do our best to fill your order, but cannot guarantee its completion.

Tips:

- Short on time? Choose to order some Grab Bags and give us only 4 days’ notice.
- Notice that the prices are blank on the themed order forms. Use the Classroom Order Form to fill in the appropriate price. Some teachers find it easier to round the prices so that they are even—with any extra money going toward a class fund.
- If you are a school in Oregon, we can process your order without tax. Ignore this field on the forms.
- We bag items by each Classroom Order Form. If you would like us to bag by student, we need another weeks’ notice.

Note: Teachers, if you would like to buy reference materials for your classroom, we offer a 10% Teacher Discount! Mention this when you order.

Thank you!
